Notice of Intent to Promote: \_\_\_\_\_

Dear Parents

Our main objective at Gemini Tae Kwon-Do is to develop well-rounded students, not only at our schools, but in their day to day lives as well.

That's why our schools teach the principles of Black Belt Excellence. Not only do students become black belts in Tae Kwon-Do, but we encourage them to become academic black belts as well. We use "black belt" as a metaphor for personal excellence.

In order to monitor our students' progress towards these goals, we respectfully request that you complete the following:

- 1) My son/daughter has been behaving in a respectful manner and cooperating at home.

AGREE / DISAGREE

(Please circle the appropriate answer)

- 2) My son/daughter has been working to the best of their ability at school and has received a satisfactory end of year report.

AGREE / DISAGREE

(Please circle the appropriate answer)

If one of our students does not meet these qualifications either at home, at school or here at Gemini Tae Kwon-Do, we will hold that students promotion until there has been a satisfactory improvement.

If you have any direct feedback beyond the scope of this form, please feel free to write it on a separate piece of paper or call me directly on 01278 793422.

Thank you for your cooperation.

Yours sincerely
